

Clean Energy Solutions Center and REN21

REN21 Renewables 2012 Global Status Report: Latin America Focus

October 23, 2012

Vickie Healey – Moderator

Christine Lins – Presenter
Gonzalo Bravo - Presenter

Two Options for Audio (select audio mode):

1. *Listen through your computer.*

- Please select the “mic and speakers” radio button on the right hand audio pane display

2. *Listen by telephone.*

- Please select the “telephone” option in the right-hand display, and a phone number and PIN will display.

3. *Please mute your audio device*

4. *Technical Difficulties:*

- *Contact the GoToWebinars Help Desk: 888.259.3826*

Some housekeeping Items (continued)

We invite you to introduce yourself

- **Select & type into the “chat” pane on your screen**

To ask a question

- **Select the ‘questions’ pane on your screen and type in your question**

Having trouble viewing the webinar

- PDFs of the presentations can be accessed at <http://cleanenergysolutions.org/training>

A recording of this Webinar and the PowerPoint slide deck will be made available at:

- <http://cleanenergysolutions.org/training/webinars/2012-renewables-global-status-report-findings-webinars>

Agenda

- Welcome and Introductory Remarks
- Overview of the Clean Energy Solutions Center & Leonardo Energy
 - Vickie Healey ❖ National Renewable Energy Laboratory
- Overview of the REN21 Renewables 2012 Global Status Report
 - Christine Lins ❖ Executive Secretary, REN21
- Latin America Focus:
 - Gonzalo Bravo ❖ Research Associate, Fundacion Bariloche
- Question & Answer
- Discussion and Closing Remarks

Clean Energy Ministerial & UN Partnership Supporting the Solutions Center

- Clean Energy Ministerial (CEM) launched the Clean Energy Solutions Center in April, 2011 for major economy countries
 - One of eleven CEM Initiatives
 - Led by Australia and U.S. with other CEM partners
- Partnership with UN-Energy is extending scope to support all developing countries
 - Enhance resources on policies relating to energy access, small to medium enterprises (SMEs), and financing programs
 - Offer expert policy assistance to all countries
 - Expand peer to peer learning and training

Clean Energy Solutions Center

<http://www.CleanEnergySolutions.org>

Goals

- Serve as a first-stop clearinghouse of clean energy policy resources.
- Share policy best practices, data, and analysis tools across countries.
- Deliver dynamic services that will enable expert assistance, learning, and peer to peer sharing of experiences
- Foster dialogue on emerging policy issues and innovation across the globe.

Target Audiences

- Primary:
 - Energy policy makers and advisors
 - Analysts
- Secondary:
 - Private sector companies,
 - Energy entrepreneurs and investors
 - Non Governmental Organizations
 - Civil society
 - Others engaged in clean energy

Ask an Expert: Our Experts in Action

7

We connect you to a global network of energy experts for personalized attention and quick response technical assistance on **strategies, regulations, standards, financial incentives, and deployment programs** for a broad range of clean energy sectors and technologies including:

- Energy Access
- Energy Efficiency
- Renewable Energy
- Smart Grid
- Transportation
- Utilities

Requesting Assistance:

How You Can Get Involved

- Request expert assistance or tailored technical resources for your country
- Participate in webinars, training activities, and policy networks
- Offer advice and suggest resources to share
- Sign up for the newsletter
- Join conversations on the Policy Forum

Speakers

Christine Lins was appointed as Executive Secretary of REN21, the Renewable Energy Policy Network of the 21st Century, in July 2011. During the last 10 years, she served as Secretary General of the European Renewable Energy Council, the united voice of Europe's renewable energy industry. Lins has more than 15 years of working experience in the field of renewable energy sources. Previously, she worked in a regional energy agency in Austria promoting energy efficiency and renewable energy sources. Lins holds a masters degree in international economics and applied languages.

Speakers

10

Gonzalo Bravo is a research associate at the Bariloche Foundation. He is member of several multidisciplinary teams in energy studies and its relation with the environment, specialising in the power sector and renewable energies. He has participated in policy and economic research issues; tariff audits and framework design; as well as technical assistance to state dependencies, energy sector firms, and other institutions in Latin America and the Caribbean. Bravo also teaches energy economics at Comahue National University and is a lecturer in environmental economics at the National University of Río Negro.

Time for Q&A
