Some Housekeeping Items (continued)

- **To ask a question**
 - Select the 'Questions' pane on your screen and type in your question
- **Having trouble viewing the webinar?**
 - PDFs of the presentations can be accessed at <https://cleanenergysolutions.org/training>
- **Share with others or watch it again**
 - A video/audio recording of this Webinar and the slide decks will be made available at: <https://cleanenergysolutions.org/training>
- **Recordings are also available on our YouTube channel**
 - <http://www.youtube.com/user/cleanenergypolicy>

Disclaimer

- *The Clean Energy Solutions Center does not endorse or recommend specific products or services. Information provided in this webinar is featured in the Solutions Center's resource library as one of many best practice resources reviewed and selected by technical experts*

Agenda

1

**Welcome &
Introductory
Remarks**

2

**Overview of the
Clean Energy
Solutions Center**

- **Philip Voris**, Clean Energy Solutions Center

3

Presentations

- **Rodrigo García**, Founder and Managing Director, ImplementaSur

4

**Question and
Answer Session**

Clean Energy Ministerial

The Solutions Center:

- Launched under the Clean Energy Ministerial (CEM) in 2011

Clean Energy Ministerial:

- A high-level global forum to promote policies and programs that advance clean energy technology, to share lessons learned and best practices, and to encourage the transition to a global clean energy economy.

90%
of
Clean energy
investment

&

75%
of
Global CO₂
emissions

Solutions Center: Background & Vision

- Multilateral initiative, of the Clean Energy Ministerial, is co-led by the Australian Department of the Environment and Energy, the Swedish Ministry of the Environment and Energy, and the U.S. Department of Energy.
- Additional funding support from Power Africa & the Hewlett Foundation
- The Solutions Center is a unique CEM initiative assisting countries in all regions of the world in strengthening clean energy policies and finance measures
- Supporting transition of clean energy markets and technologies

Solutions Center: Goals and Audience

Programs and Services

- **Team of 60+ experts from around the globe responded to 450+ requests for policy support from more than 90 countries**
 - Extensive support across Africa, Asia, and LAC
 - Launched support for finance measures in 2015

Rodrigo García, Founder and Managing Director, ImplementaSur

Rodrigo García is a renowned consultant with more than 16 years of experience in the area of energy and climate change. Rodrigo has devoted all his career to lead the transformation of emerging countries into sustainable development. Rodrigo is the founder and managing director of ImplementaSur, from where he has been able to advice on the financial risks derived from climate change, and prepare innovative business models and financial structures to mobilize new sources of funding into green investments. Among the clients that Rodrigo has been able to assist during this period are: The German Society for International Cooperation (GIZ), the World Bank, the United Nations Development Program (UNDP) and the U.S. Department of Energy's National Renewable Energy Laboratory (or NREL).

Question and Answer Session
